

PRIVACY NOTICE

This information notice (hereinafter, “**Privacy Notice**”) relates to the processing of your personal data while browsing the website www.perani.com (hereinafter, the “**Site**”) carried out by **Perani & Partners S.p.A.**, with registered office in Piazza Armando Diaz 7, 20123 - Milan (MI), P. IVA 13422340151, email mail@perani.com (hereinafter, the “**Data Controller**”), in accordance with the current regulations on the protection of personal data, including also the EU Regulation 2016/679 (“**GDPR**”).

1. Identity and contact information of the Representative

As the Data Controller is established in the territory of the EU, no representative has been appointed.

2. Means of treatment

To complete the connection to the Site, some of your personal data is acquired. This set of data includes, for example:

- The IP address of the device you are using;
- The date and time of access;
- The type of browsing browser;
- The operating system used.

3. Purpose of processing and legal basis for processing

Your personal data will be processed for the following purposes:

- a) **Personal data processed while browsing the website:** the disclosure of such personal data is a contractual obligation, without which the properly functioning services proper to the website could not be made available.

4. Source from which personal data originated

Only personal data provided in accordance with the Privacy Notice will be processed. The Data Controller will not process personal data from publicly accessible sources.

5. Recipients and categories of recipients of personal data

They may be recipients of personal data:

- Companies offering information society services, including, in particular, those offering hosting services.

6. Categories of data

Personal data necessary to complete your connection to the Site will be processed. Under no circumstances may special personal data as defined in Article 9 of the GDPR be processed.

7. Data Transfer

The Data Controller does not intend to transfer your personal data to entities established in a country outside the European Union or to an international organization.

8. Period of retention of personal data

The personal data processed and stored for the purposes referred to in Section 3.a (contractual purposes) shall be processed and stored by the Data Controller in accordance with the provisions of the applicable regulations, however, for a period of time not exceeding 10 years starting from the termination of the effects of the contract in case of its conclusion, unless otherwise required by law.

9. Optionality of consent and consequences of non-consent

In relation to personal data processed for the purposes set out in section 3.a of this Privacy Notice (contractual purpose), the disclosure of personal data is an obligation. If you do not communicate such personal data, it will not be possible to provide the service of connecting and browsing the Site.

10. Right of opposition

As a Data Subject, you have the right to object in the following terms:

- the right to object at any time, on grounds relating to your particular situation, to the processing of Personal Data concerning you in accordance with Article 6(1)(e) or (f) of the GDPR. The Data Controller shall refrain from further processing your personal data, unless the Data Controller demonstrates the existence of compelling legitimate grounds for processing that override your interests, rights and freedoms or for the establishment, exercise or defense of legal claims;
- where personal data are processed for direct marketing purposes, you have the right to object at any time to the processing of personal data about you carried out for such purposes, including profiling insofar as it relates to direct marketing;
- if you object to processing for direct marketing purposes, your personal data is no longer processed for such purposes. You may object to the processing of your personal data for direct marketing purposes even in part, for example by objecting only to the sending of promotional communications carried out through automated and/or digital means, or to the sending of paper communications and/or the receipt of telephone communications;

- where your personal data are processed for scientific or historical research purposes or for statistical purposes pursuant to Article 89(1) of the GDPR, on grounds relating to your particular situation you have the right to object to the processing of personal data, unless the processing is necessary for the performance of a task carried out in the public interest.

11. Other Rights

The Data Controller would also like to inform you of the existence of your following rights:

- **Right of access:** you have the right to obtain confirmation from the Data Controller that personal data concerning you is or is not being processed, and access to your personal data and specific information, in accordance with Article 15 of the GDPR;
- **Right of rectification: you have the right** to obtain from the Data Controller the rectification of inaccurate personal data concerning you without undue delay. Taking into account the purposes of the processing, you have the right to obtain the integration of incomplete personal data, including by providing a supplementary declaration, in accordance with Article 16 of the GDPR;
- **Right to data erasure, including the right to withdraw consent:** you have the right to obtain from the Data Controller the erasure of your personal data without undue delay or to withdraw your consent to the processing, if the grounds defined in Article 17 of the GDPR exist. You have the right to revoke consent at any time, without affecting the lawfulness of the processing based on the consent you gave before revocation;
- **Right to limitation of processing:** you have the right to obtain from the Data Controller the limitation of processing, when the cases defined in Article 18 of the GDPR apply;
- **Right to data portability:** you have the right to receive, in a structured, commonly used, machine-readable format, your personal data provided to the Data Controller and you have the right to transmit it to another Data Controller without hindrance from the Data Controller named in this Privacy Notice, as provided for in Article 20 of the GDPR;
- **Contractor's right to object to commercial communications:** as a contractor, you have the right to object at any time, free of charge, to receiving commercial communications from the Data Controller;
- **Right to lodge a complaint with the Data Protection Authority:** you have the right to lodge a complaint with the Data Protection Authority to complain about a violation of data protection regulations, in accordance with Article 77 of the GDPR.

12. How to exercise your rights

You will be able to exercise the rights indicated in the Privacy Notice by addressing requests directly to the Data Controller at the e-mail address mail@perani.com, or by sending the relevant communication by registered letter with return receipt to the address Piazza Armando Diaz 7, 20123 - Milan (MI). You may lodge a complaint with the Guarantor Authority for the Protection of Personal Data in the manner provided by the official website, addressing it to the contact details available at <https://www.garanteprivacy.it/home/footer/contatti>.

13. Accessibility of Privacy Notice

The Privacy Notice is available within the Site or at the premises of the Data Controller. If expressly requested, the Data Controller may provide the information orally, subject to proof of your identity, with a telephone request to the following number: +39 02 76316161.

14. Changes

The Data Controller may amend the Privacy Notice, including to adapt to changes in national and/or European Union legislation, or technological innovations. Any new versions of the Privacy Notice will be posted within the Site. We encourage you to check the Privacy Notice periodically. Any changes will still be communicated to you through a pop-up on the Site or different modalities and/or computer tools.

If the Data Controller substantially modifies the Privacy Notice, providing for new processing purposes and/or categories of personal data processed, the same will inform you, requesting the necessary consents, by means of a pop-up on the site or different modalities and/or computer tools.
